## 'Hygiene Behaviour Change for Life'

### Walking the Talk following World Water Day

A practical way to ensure providing water *does* make a difference.  
Join the 2021 Africa AHEAD Webinar Series

**Community Health Clubs** have for the last 25 years consistently demonstrated that **Health Club members** store and use their **drinking water properly**, have **better kitchen hygiene** and have **safer personal hygiene and sanitation**.

If you want to **know how to start** a Community Health Club & create a **Culture of Health & Hygiene** in your project join the **Africa A.H.E.A.D** team for a unique **practical training webinar**, learning directly from the **originator** of this methodology, **Dr. Juliet Waterkeyn**, experienced trainer & international speaker.
